

FİKRET TAYFUN DEMİRÖREN

Member of the Board of Directors

F. Tayfun Demirören, who is the founder of Mikare, is one of the leading young businessmen of Turkey, undertook various responsibilities in the family business since his early ages. Demirören Holding incorporates many companies, such as Total Oil, Milangaz Likidgaz, Moil, Kemer Golf & Country Club, Demirören Shopping Center, Private Ata Educational Institutions and from Turkey's daily newspapers like Milliyet, Vatan and Hürriyet.

Tayfun Demirören, who started his career in 1996 under the umbrella of Demirören, directed large-scale companies and investment projects in sectors such as energy in the first place, construction, education and the media. Tayfun Demirören, who is still a member of Demirören Holding Board of Directors, has served as the General Manager of Demirören Group of Companies until 2014, when Mikare was founded.

His Berlin headquartered Company Mikare, is active in alternative mining areas sensitive to real estate and environment and the Upside Berlin project that is its first real estate investment to be completed in 2020, is today defined as Berlin's largest construction complex.

Tayfun Demirören, who completed his education in England, is married with three children.
